Michelle May originally started off as a strictly *Voluptuous* model. But she's put on a few pounds and now she's spreading her pink pussy for *XL* readers, too!

### Michelle's Better Bigger

Dear XL Girls,

Michelle May looks hotter than ever. When I saw her on the cover of the Aug. '11 (SP214) issue I hoped that she had put on a few pounds and that's why she was being featured in XL. Well, I was right! I always thought she was attractive when she was in Voluptuous, but now I like her even more with her new XL body. And is it just me or are her nipples bigger and darker? Looks like she might've given birth while she was away. I would have liked to have seen some lactation footage if that was the case! Either way, I'm glad she's back.

And now the million dollar question—will she finally do hardcore? To be honest, I don't really care. I'm happy that these women are kind enough to show us their naked bodies, let alone fuck in front of a camera for our enjoyment. But it's always nice when a girl does decide to do hardcore. Whatever Michelle chooses to

do, I wish her the best. Please pass my regards along to her and tell her that a fan of hers has become an even bigger fan since her *XL* debut.–J.H., Allen Park, Michigan

### A Reader's Opinions

Dear XL Girls,

You recently asked readers of *XL* mag which kinds of girls they want to see in *XL*, so here it goes.

First of all, I find myself only attracted to Caucasian-looking There are only a few women. Hispanics that interest me. Secondly, a beautiful face is the ultimate asset. I happen to mostly like Caucasian faces. I'll still masturbate to Dusty Rose or Kitty Lee, but I wouldn't invite either face to bed. I think nice, full, round breasts and buttocks are tied for the next significant asset. They don't have to be gigantic and there is such a thing as too big (i.e. Monique). Next, I like a nice, round belly. It doesn't have to be huge, just soft and convex (too big can apply here, too–Kountry Gal). The next sexiest feature is good hair. That's what makes your older back issues hard to revisit. My favorite hair color is anything dark and preferably short. Punky colors are more than welcome. The worst is anything feathered, big, Barbie or too long.

After hair are tattoos! I love tattoos on my ladies! As long as they aren't shitty or gangsta-looking. You can have too many but I rarely see a lady who takes it too far, usually not far enough. Dors Feline is tattooed to sexy perfection–please don't hide it. After tattoos comes piercings: nipple, clit, lip, tongue, septum, Monroe. Most drive me wild. I'm not into any random body ones, like neck, chest, back, etc. These seem too forced and

Readers are split over how they feel about Dors' many tattoos.

Super curvaceous Dawn Davenport appeals to the big-booty lovers as much as she does to big-tit lovers. Her ass is even bigger than her rack!

basically gross, superfluous and selfobjectifying. The next thing my boner enjoys is body hair. I like a nice, full bush. Yes, there are some that go beyond necessity but I still prefer them to clean-shaven hilts. I like hairy ass cracks, too. They add so much to the character of a woman's genitals. I also enjoy pit hair and accept any other hair women want to leave on their bodies. I do, however, dislike facial hair on women.

Honorable mention is nice skin, but this is more important to touch than aesthetics. I think most girls would look better without the airbrushing. I like the details that make up the character of a woman's body and want to relish in them. (Don't bother again denying that you airbrush, you left the evidence plain to see in the one picture that is both Gemma17 and Gemma18 on XLGirls.com). The last general note I'll make is that I'm against feeder porn. I don't like the idea of anyone trying to shape someone else and focusing on food is the least exciting part of larger women. I know how BBWs are made, that doesn't mean I need to fetishize the process. As Patton Oswalt says, liking Angelina Jolie does not imply an interest in Jon Voight's nutsack.-J.S., Portland, Oregon

#### Ass Man

Dear XL Girls,

I love big tits, but at the end of the day I'm admittedly more of an ass man. I know that's probably blasphemy here, but it's the truth. I still read your magazine because I do love me a pair of huge tits. But nothing kills my boner like a flat ass.

Fortunately with girls like Dawn Davenport in your magazine I don't have to worry about my boner going anywhere but up. The woman has a huge ass that I love. That full moon turns me into a lunatic! One of my favorite things in the world is when a woman like Dawn sits on my face so I can tongue her butthole. That picture of her on the cover of the Aug. '11 (SP214) issue is A+. When I saw it I actually said out loud, "Oh hell yes!" Big, white, wide, round, creamy asses are my favorite. I think she has the number one ass out of all the XL Girls. Although a conversation about asses wouldn't be complete without mentioning Analee Sands. That girl has a pretty banging booty, too. You should get Analee and Dawn together for a big-booty side-by-side comparison shoot. I'm sure there are tons of ass men like myself out there who would love that.-R.W., via email

### The Twinkle in Twilight's Brown Eye

Dear XL Girls,

Twilight Star makes my dick so hard. I love the way she is built. Half-black and half-Asian women are always so hot. Her coffee-and-cream skin would look great with some cum on it. I'd be happy to provide a load of cum to Twilight if she's ever in the Tucson area. Good job on dressing her

#### THIS IS ADULT MATERIAL

All of the performers/models, and all of the characters that they portray, were over 18 years of age at the time of the photography. The content is inappropriate for minors, and appropriate care should be taken to ensure that it is not viewed by anyone under 18 years of age.

in a bra that is too small for her big tits. All girls with big tits should wear bras that are too small so that their tits spill out. This is a really hot look for busty women. I also really liked the close-up photos of her tits and pussy on page 55. Her nipples were like two eyes staring right at me, begging me to suck them and stick my cock in her cleavage. And in her close-up pussy shot she looks like she's ready for a hard cock to pound her. But if it were me, I'd make sure to eat that pussy really good before fucking it hard. That's one good-looking pussy. I would love to sample it and make it cum with my tongue before I made it cum with my cock.

You did a great job of capturing Twilight's personality through photos and in her interview. She is either smiling in all her photos or giving us drop-dead bedroom eyes. After reading her quotes, I thought Twilight sounded like a lot of fun, especially since she said she loves anal. That's my kind of girl right there. I can't wait to see her taking a big one up her ass. In the bottom photo of her on page 59 you can just tell that she's begging for a good ass-fucking by the way she's spreading her cheeks. Her asshole looks really tight and little. I'm sur-

Twilight loves a big, fat, hard cock up her tight asshole.

It's no wonder that readers have fallen in love with young newcomer Lisa Canon.

That face! Those humongous tits! How could you not love her?

prised that it can take a big cock. I would love to fuck that big ass of hers. I'd be gentle, unless she wanted me to go hard. I'd do just about anything she asked of me.

In the Aug. '11 (SP214) issue I also noticed that Twilight is in the movie Wide Load Nymphos 2. I ordered this movie mostly to see her. The other girls are hot, too, though. Your models are always hot, and your movies are always of the highest quality. They're classy but still horny. I can't wait till I get my copy of Wide Load Nymphos 2 so I can spend hours jacking off to it. Twilight said that she does anal in this movie. Now I may never leave my house again!—F.M., Tucson, Arizona

### **Lusting Over Lisa**

Dear XL Girls,

Lisa Canon is such a cutie. She is definitely my new favorite XL model. I would explore all those curves for hours. You would probably need hours to examine every single inch of her luscious body! And it would be time well spent, as she is perfect. I hope this young cutie ends up doing hardcore. I would love to see a cock smashed between her ample bosom, and parting her meaty pussy lips. She has the potential to take the BBW world by storm. Lisa is young, beautiful and perfectly chubby. And from what I read of her she sounds horny, too! She could be a star, if that's she wants. But either way she'll always be a star in my eyes.-R.B., via email

Dear XL Girls,

So I just found out about Large Lovin' 2, which stars Lisa Canon, the hottest girl ever! I just placed my order and I am stupid excited to see this mega babe in her first-ever hardcore scene. I am never sure whether a new girl will do hardcore, but I am thrilled that Lisa decided to. I've lost count to how many times I jerked off to her pictorial in the Aug. '11 (SP214) issue. I'm going to have to take a break from spanking the monkey while I wait for Large Lovin' 2 to get here. Because I know if I don't my dick will probably fall off from whacking it to Lisa!

It's awesome that she's doing hard-core. And I think I might faint if I find out she does anal. I love it when chicks love anal. That's how you know they're totally uninhibited freaks. Then again, maybe it'd be a good idea if Lisa didn't do anal. I seriously don't know if my cock and balls could handle it! As it is I need to put an ice pack on my crotch after looking through your magazines. You have the hottest girls. Thanks for being awesome.—P.V., Bellevue, Washington

### Stuck in Alice's Web

Dear XL Girls,

First I'd like to tell you how much I enjoy XL and Voluptuous. They are the only magazines I buy! I would like to ask a favor of you. Would you please have Alice Webb back in the next issue please? Start off with fully

dressed front and back shots. Then get a bra shot at an angle so you can see the spillage from the top of her bra. From there you know best what we want to see.

I was glad to see Michelle May back. Wouldn't it be great if you got Lenka back again? I'd like to see Donna again and Arianna Sinn solo. I really enjoy seeing how women who were Voluptuous girls from years back look now. Anyway, keep up the good work and thank you for your time.—G., Dayton, Ohio

### **Paging Paige**

Dear XL Girls,

Could you please bring back Paige Riley? I miss this blonde babe. I really thought I was going to see more of her in your magazine. But I guess if a girl doesn't do hardcore she doesn't get too far in the porn world. It makes me sad when models that I really like only do one or two shoots and then fall off the face of the earth. I understand that they may just be modeling on a whim or for fun (not necessarily a career choice), but man...what a tease! If you could convince Paige to Ι'd be back eternally grateful!-J.T., Boston, Massachusetts

### No Tattoos, Please

Dear XL Girls,

I bought the Aug. '11 (SP214) issue of *XL Girls* while picking up a few snacks for lunch at a local deli market. I was delighted to find the magazine and my heart might have skipped a beat or two when I saw Dors Feline on the cover. I couldn't wait to get back to the truck to check out this goddess. Her eyes are alluring, lips of lust and a body to die for. I just loved looking her over from head to toe. She is absolutely beautiful.

But right here is my statement of defiance. Why would a being such as Dors ruin such a perfect body with all that ink? Really. If it were up to me, I'd make it unlawful for women this fine to get a single tattoo. Okay, that's my rant but let's be clear. If she wanted to have sex with me I'd gladly comply. She is absolutely lovely. Also, I'd like to know how other guys feel about tattoos on beautiful women such as Dors.—Anonymous

Paige Riley has big, sexy tits and a nice, soft belly to go along with them!

### **Tattoos, Please!**

Dear XL Girls,

I have been a long-time fan of Dors Feline. I was surprised to see her on the cover of the Aug. '11 (SP214) issue because you don't normally feature women who are as heavily tattooed as Dors in your magazine. Don't get me wrong, I was thrilled to see her. I love Dors and I love tattooed women. However, I bet that your readers have very mixed feelings about seeing such a heavily tattooed lady in your magazine. I feel that your readership is a bit more conservative when it comes to how they like women to look. They don't seem to be into the "alternative" look. I wouldn't be surprised if I saw a few letters in upcoming issues complaining about the tattoos.

I'm the opposite. And I wanted to write in to let you know that I definitely think this is a positive move for you. I like big-breasted, punky, tattooed women. More and more women are getting tattooed these days and the rest of these guys need to get over it. I'm not saying that every girl you feature in your magazine has to be super tattooed, but one or two in an issue would be nice. Personally, I have always found the women in your magazines to be

# Angellyne Hart & Mark Zicha

The response to Angellyne's pictorial in the Dec. '10 (SP204) issue was overwhelming. Readers went crazy over her huge hangers and juicy body. They wanted more of Angellyne, and our job here at *XL Girls* is to give readers what they want. In fact, we try to exceed expectations. That's why we didn't just bring Angellyne back in a solo pictorial. We brought her back sucking and fucking!

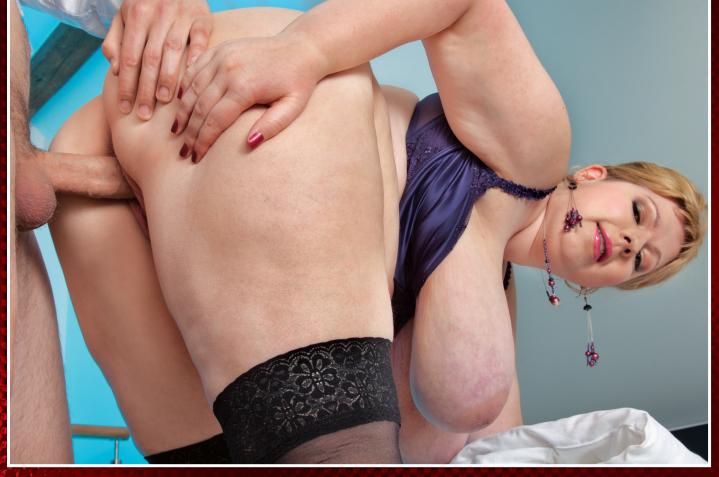

"Sometimes when I have sex, my big breasts bounce around so much that I have to hold them down. If not, they might hit someone in the face!" said Angellyne. We'd like to think that's what was going on in the picture to the left. Angellyne is bouncing on top of a cock with her breasts flopping to and fro. She shelves them with her hands to contain them for a photo-op. In the photo above, you can see her tits hanging there, doing their thing. And below, some lucky guy gets to do what most guys wish they could do to Angellyne: grab a handful of tit-flesh while plunging their cock into the depths of her hot, wet pussy.

### CHARLIE COOPER

### **Have you missed Charlie lately?**

Because she's been missing you. "I love reading letters from my fans. I was shocked at the response I got after I was in your magazine. XL readers are definitely the most devoted. I really appreciate that. I can't wait to hear from them again!" During Charlie's interview in the May '11 (SP209) issue, she said that if she can make anyone happy by showing them her boobs, then she's going to do it. Well, that's exactly what she did. Everyone is happy because of her boobs!

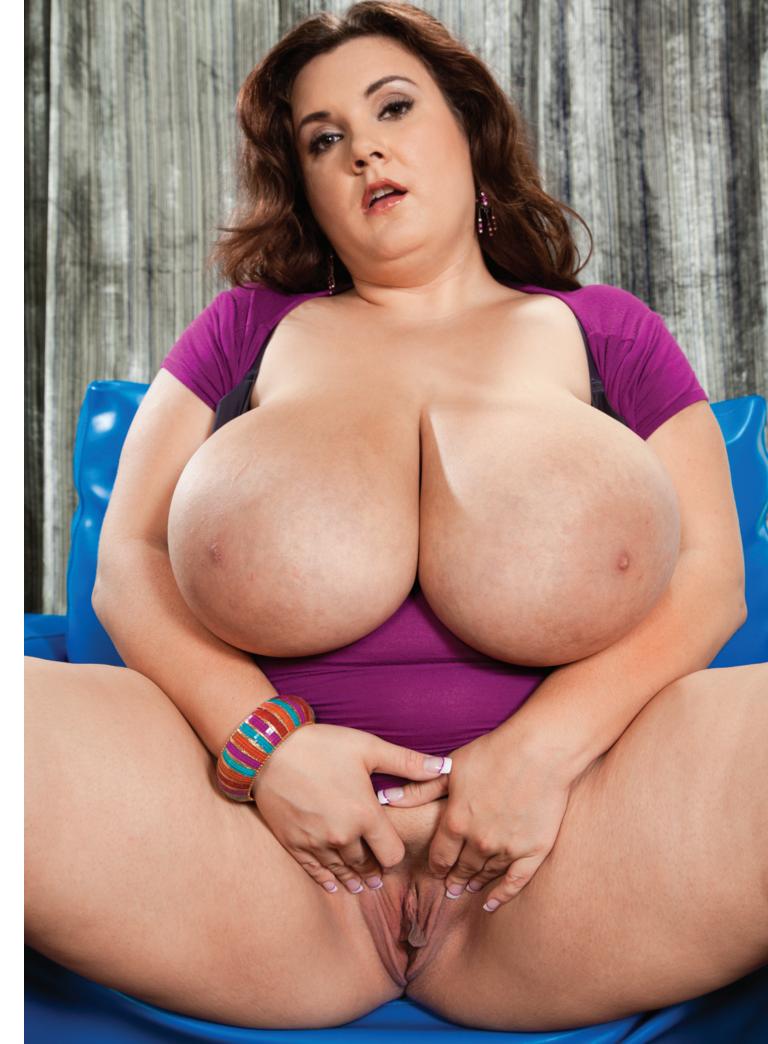

### Lately Charlie has been living up all of her sexual fantasies.

Remember the scene Charlie did in *Big Girl Strip Club*? (You can order it on page 9.) She liked that experience so much she decided to try it off camera at an actual strip club! "I'm a total bookworm, but I've always wondered what it's like to be onstage like that. After I had so much fun shooting *Big Girl Strip Club* I knew I had to try it for real. It was awesome! When I took my boobs out, the crowd really went wild. But unlike the movie, I didn't end up having sex with anyone at the strip club! I just danced."

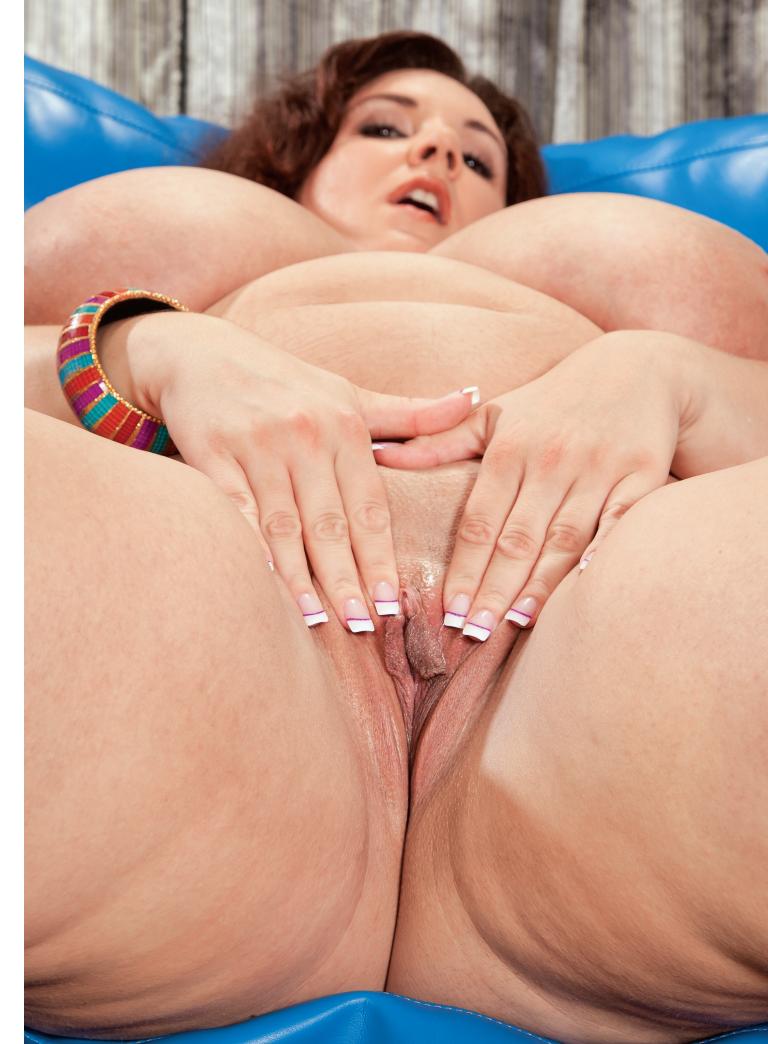

XLGIRLS 23

### And in other good news, Charlie is starting to like anal sex!

In her interview, Charlie stated that she had tried anal, but she wasn't the biggest fan of it. These days she's singing a different tune. "I decided to give anal another chance. It turns out your partner makes a huge difference. I tried it with a guy who really knew what he was doing, and it was actually a good experience. I've done it a few times since and I've enjoyed it. But I'm

# PARTY&PLAY ON WORLD FAMOUS SOUTH BEACH

The SCORE Studio is located in one of the most glamorous vacation locations in the world, within miles of Miami's gorgeous beaches and thrilling South Beach nightlife.

It was a big-tit vacation for these three titters! Micky and Gya are both from Romania. Terri is from the UK. We thought these Euro beauties could use a little playtime in a tropical paradise, so we brought them to Montego Bay, Jamaica. We figured the warm weather, fruity drinks and poolside lounging would get them in the spirit to romp around naked...and we were right! We got all the fun, big-tit action on film, too! When these three babes got together, their tits could not be contained for long. With all the boob fondling and shaking that was going on, it was only a matter of time before the girls had to get themselves off. Gya and Micky each have hot masturbation scenes, while Terri gives you a peek at how she washes her mounds of glory during a bubble bath. This DVD is packed with a tornado of tits. Turn the page to see what else happens!

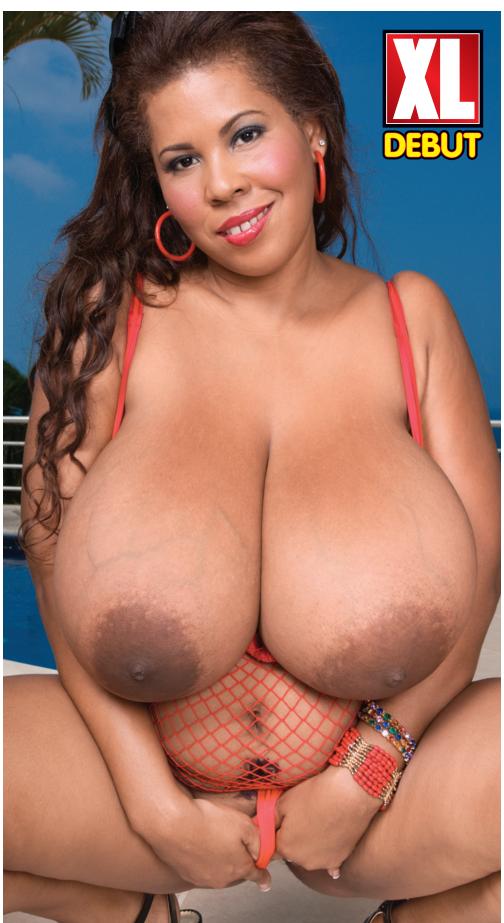

## VANESSA DEL MAR

### Vanessa has a lot going for her.

Not only does this Dominican beauty have huge tits and a pretty face, but she's an expert when it comes to cocks. Sucking them, fucking them, making them hard, making them cum—she does it all so well you'd think that's what she was born to do. "I think I have always been good at sex," Vanessa said, "but I was married for a long time and I didn't get to take advantage of it. Now I'm making up for lost time."

### Now that Vanessa is single, she's having lots of kinky fun.

Vanessa only speaks Spanish, but fortunately so do our photographers. They were able to relay her information back to us. According to Vanessa, her marriage was too restrictive. She wasn't having sex as often as she would have liked to, and she couldn't dress sexy. So when she became single, Vanessa got a little wild. "First, I wanted to have sex with someone. Anyone! After being with one man for so long you crave something different. And second to that, I knew I wanted to model. I wanted to share my big tits!"

# ANOREICOLLINS

TITS DON'T COME MUCH BIGGER THAN THIS!

#### "HE SAID, 'HAVE I SEEN YOUR TITS ON THE INTERNEŤ, OR IS THAT JUST A FANTASY?"

**XL Girls:** Welcome to the studio. Your name is a bit unusual. How do you pronounce it?

**Anorei:** Ah-nor-e.

**XL Girls:** Got it. Can you tell us a little bit more about vourself?

Anorei: Well, I'm 25 years old and I

have 38P tits. **XL Girls:** Is that the most common

question you get-your bra size? **Anorei:** It's a tie between the bra size

and "Are they real?"

**XL Girls:** They look real to me.

**Anorei:** I'll just put it like this. There's no plastic surgeon on earth who would call this ethically reasonable. So yeah, they're real.

XL Girls: Do you know how many inches your bust is?

Anorei: 62 inches.

**XL Girls:** Wow. Now, you've been lactating. Have your boobs grown since you started?

**Anorei:** Yes. They went from about a NN-cup up to a P-cup. So basically from an O-cup to a P-cup.

XL Girls: And what are some responses you get regarding your chest? **Anorei:** There's a lot of staring. I had one guy come up to me in the middle of Macy's one time and-I swear to god, it was the best line I ever heard-he said, "Have I seen your tits on the Internet, or is that just a fantasy of mine?" That was definitely my favorite. Although I do love watching men get smacked by their girlfriends when they're walking by. I don't tend to notice the staring that much, but I do notice the loud smack.

XL Girls: Has a fan ever recognized you in public?

Anorei: Yeah. I was at Chicago airport a few months ago and I took a picture of myself and posted it on Twitter. Then someone else took a picture of himself in the same area and posted it to Twitter with an @ response to me saying, "I'm sitting where Anorei Collins just was."

**XL Girls:** He didn't come up to you? **Anorei:** No, I don't really get approached a lot by fans.

XL Girls: Would you say that you get approached at all by guys who don't know you from modeling? Do you get hit on a lot?

**Anorei:** I definitely get hit on a lot, but no one really brings it to my attention that they've seen me model. Last night I went out to dinner and I had six drinks and paid for none of them.

**XL Girls:** Nice. Was that from one guy or several different ones?

**Anorei:** A couple of them.

**XL Girls:** You know how to work it! Now to change gears here, I heard that vou were once a truck driver.

**Anorei:** I was, for about a year and a half. I worked cross-country.

**XL Girls:** How did you get into that? Anorei: Well, I was basically living out of the back of my car, and this truck driver picked me up. I was going truck stop to truck stop because they had showers and everything. It's actually a pretty clean place to be. But anyway, I was having dinner and a

truck driver came up to me and told me that they take in new trainees all the time. I was like, "Okay, why not?" So I went to Phoenix and completed the training. They'll take just about anyone. It's pretty fun to drive down the highway and be on the CB (citizens' band radio). And you don't have to talk on the CB but if you're driving topless or with just a bra on, the other truck drivers can see in. The CB will just light up with truckers saying stuff like, "Oh my god, did you see the chick in the Swift truck?"

**XL Girls:** So they knew you as the busty truck-driver girl?

Anorei: Uh huh.

**XL Girls:** I have to ask–have you ever had sex in

the truck?

**Anorei:** Never in the truck. I have had sex in a trailer–the back part of the truck. Never in the cab though. And I've definitely had sex in truck stops. [*Laughs*] It's not as scary or as gross as it sounds, I promise.

**XL Girls:** Where in the truck stop?

**Anorei:** In the shower area. They disinfect it like every 20 minutes, so no worries.

**XL Girls:** What are some other jobs you've had? **Anorei:** I'm a certified massage therapist so

sometimes I give topless massages. I've been a phone sex operator, cam model, tattoo apprentice. I do live nude modeling for art galleries. **XL Girls:** Interesting. Wow, so how did you get

into the massage thing?

Anorei: I had already started doing the model-

"I'M SUCH A GEEK AND A GAMER. I READ A LOT, TOO. "

ing thing, and everyone kept asking me if I do topless massages. I met a couple of people who were doing massages and were in the adult industry, and I told them that if they paid for my certification and teach me how to massage I'd do it. So that's how it came about. Now I have a lot of connoissuers of busty, topless massage therapy.

**XL Girls:** And the tattoo apprentice job–are you an artist?

Anorei: I'm a wannabe tattoo artist. I'm really good at drawing, but not so good at shading, which is why I never got past the apprenticeship.

**XL Girls:** Are you still doing that?

**Anorei:** Off and on. It's not something I'm putting too much time into anymore. I'm busy with other stuff.

**XL Girls:** Okay, and what do you like to do for fun?

**Anorei:** I am such a geek and a gamer. I read a lot, too. I like a lot of anime.

Basically if there's a controller, and I can play it on my computer, that's what I'm doing.

**XL Girls:** I noticed that you've done a lot of cosplay.

Anorei: Yeah, I love all the fairy tale princesses. I love Mad Moxxi from the Borderlands game and Tifa from Final Fantasy. Stuff like that. I'm actually going to BlizzCon this year as Sylvanas Windrunner from World of Warcraft. It took me eight months to make the costume.

**XL Girls:** You know how to sew?

**Anorei:** Sewing is pretty easy. It's leather so that's easy to stitch. I mean, it's not perfect stitching, but I doubt anyone is going to be paying attention to that. Hopefully it holds together and I don't spill out everywhere.

**XL Girls:** Speaking of that, where do you get bras?

**Anorei:** A lot of my bras are custom made. I have to get them from seam-

stresses. There's one place I go to that carries N-cups and those mostly fit.

**XL Girls:** Mostly fit?

**Anorei:** There's always going to be overflow over the top and sides and bottom. There's really no way around it with any off-the-rack bra.

**XL Girls:** Do you ever wear more than one bra?

**Anorei:** I used to have to for soccer practice. In 10th grade I was in soccer, and it was pretty terrible because the coach would bench me because there was too much movement. And I get off-balance really easily, so when I'm running I just fall. I used to try to wear two or three sports bras, but I was already probably a K-cup or just a little under by the time I graduated high school. So I was at least a G-cup by then, so wearing two or three normal, little sports bras never really worked. **XL Girls:** That was something I actu-

ally wanted to ask you, if you played

any sports when you were

younger. So did you play anything else in addition to soccer? Were you in dance or anything?

Anorei: Yeah, basketball. I was in gymnastics. That stopped pretty quickly after I went through puberty.

**XL Girls:** How did your chest affect you in those sports? Anorei: Gymnastics was the first team to drop me. They were just like, "You can't balance anymore." I have to lean back to keep my balance, so any time I tried to tumble or do flips I'd end up flat on my face. Well, flat on my boobs. Then I stopped basketball, and I stopped soccer shortly after that.

**XL Girls:** When was it that you stopped playing sports?

**Anorei:** I was in 10th grade.

**XL Girls:** Did you have the biggest boobs in school? Anorei: Yes. I also had no friends in school because of that. I was super shy, so I would wear the biggest shirts I could find to hide my boobs. And it was usually like, a Metallica shirt. And I'd be wearing big, baggy Inco jeans. You could

tell I was the outcast.

**XL Girls:** Did your peers have boob nicknames for you? **Anorei:** No, I was just the freak. I was the quiet girl who sat in the corner, read Harry Potter all the time.

**XL Girls:** Well, you seem to have come out of your shell.

**Anorei:** Yeah, college works wonders. **XL Girls:** What happened in college?

**Anorei:** [*Laughs*] Beer. Alcohol is a great icebreaker.

**XL Girls:** Yes, it is. So, have your boobs ever fallen out of your shirt by accident?

**Anorei:** Yes. They didn't actually fall out of my shirt the last time it happened, but I was standing in line at Subway about a month ago and my bra just broke. The strap snapped and it was like the avalanche of tit inside my

## "ITRY NOT TO WEAR A BRA AS OFTEN AS

shirt. And so I went from Captain America with this great, big shield to Captain America with a deflated shield because of my boob hanging out underneath. It looked like I had a huge stomach, too, 'cause my boob was just sitting down so low.

**XL Girls:** Was the bra half on?

Anorei: Yes.

**XL Girls:** So one was higher than the other one?

**Anorei:** Yes, one was in its normal place. Just the strap broke, and it was a pretty industrial bra. They don't make strong, pretty bras. So one strap held, but the other one was just gone.

**XL Girls:** Have your boobs actually ever came out of your shirt? **Anorei:** Yeah. I try not to wear a bra as often as possible because I hate them. I hate clothing in general. I was walking with my guy and we were hiking. I took my bra off and I put it in my backpack. We were going up the hill, and I wasn't paying attention. Apparently the trail went both ways, and I thought it was just one-way. So people were coming back down towards us, and all of a sudden my boyfriend jumps in front of me to cover me. He told me to pull my shirt down 'cause my tits had been half out for the past 20 minutes. They just sneak out the bottom of my shirts.

**XL Girls:** Wow, they don't even come out of the top. So have you ever flashed anyone before?

**Anorei:** All the time. I am a big fan of Mardi Gras.

**XL Girls:** Do you get the most beads?

**Anorei:** Yes. I definitely return home with at least 10 to 15 pounds of beads.

**XL Girls:** Did you ever flash anyone when you were a trucker?

**Anorei:** All the time. It's so much fun.

**XL Girls:** Regular people driving or other truckers?

**Anorei:** Other truckers mainly just because it's hard to see into

## "I LIKE SOMEONE WHO IS CONFIDENT. THAT'S KEY. I DON'T REALLY HAVE PHYSICAL LIMITATIONS."

a truck from a regular car.

**XL Girls:** Well I was thinking you could just take your boob and put it outside the window.

Anorei: I probably could, but that might not be the best idea. But yeah, I still flash truckers to this day. Truckers rule. I love them.

**XL Girls:** I'm sure they'll like hearing that. So moving along, what's the kinkiest thing you've ever done?

**Anorei:** This is going to sound really

weird, but flesh-hook suspensions. It's where they take a piercing through the muscles in your back and suspend you in air. It was a lot of fun. While I was up there, it felt like flying or like being in a swing.

**XL Girls:** It didn't hurt?

Anorei: It hurts a little bit. The second time I did it I went up suicide, which is where they don't give you a second to catch your breath between each inch or so. They just hoist you up. And

it hurt like a bitch. When I got up there I actually passed out momentarily, and when I came back to it didn't really hurt. It doesn't really hurt once you're up there.

**XL Girls:** That sounds intense. Are you into bondage and stuff like that?

**Anorei:** Yes. I'll try anything twice. **XL Girls:** And have you ever been in a three-way? I'm guessing yes...

Anorei: Uh huh. Two guys, two girls, a guy and a girl.

XL Girls: What's your favorite combination for a three-way?

**Anorei:** Two girls. I've definitely been with more girls than I have guys.

**XL Girls:** What kind of girls do you like? Do you have a type?

**Anorei:** Funny enough, I'm into taller women with smaller breasts, like Dcup or below. I like someone who is confident. That's key. I don't really have physical limitations. It's more based on their personality.

**XL Girls:** Do you find that the better their personality is the more you're attracted to them?

Anorei: Yes, definitely. I'm not shallow, but I went to school with a lot of people who were.

**XL Girls:** I take it you grew up in a small town?

**Anorei:** Yes, the smallest.

XL Girls: There had to have been some small-town talk about you. I see you're making a face now...

**Anorei:** Until I moved in 11th grade, my graduating class would've been 13 students. It was small. I moved there in 8th grade. Obviously these kids had been together since kindergarden. It was a K-12 school. They already had their friends.

**XL Girls:** Were they close-minded? Anorei: It was such a small town that they were all really, really closeminded. So you move there and the girls hate you. And the guys aren't allowed to like you because the girls hate you. So you're just kind of the outsider. But then in 11th grade I moved to a bigger school, and it was kind of just like being another face in the crowd for the first year. That was pretty cool. Being the new kid always kind of sucks, but in a larger school it's fairly easier. It was funny during my senior year to see all the new freshmen stop dead in the hallway.

**XL Girls:** Because of your boobs? **Anorei:** Yeah. It was definitely an eye-

# JUI a JUI S & Peter Delmar

If you've seen *Big GIrl Strip Club* (and if you haven't, you should), then you know that Julia is a firecracker. She's outgoing, she's a lot of fun and she's horny as hell. She knows how to work it onstage, mesmerizing the audience with her shimmies, seductive crawling and splits. And she also knows how to work it when it's time to fuck in the champagne room.

We love Julia's big tits and her curvy body, but more than anything we love her enthusiasm for cock. The girl can't get enough of it! "I love hard cocks. The way they look, the way they feel, the way they taste. I love it when a guy is assertive and he puts his big, throbbing dick in my face and tells me to suck it. But if he's not that assertive, that's okay, too. I'm fine with telling him to give me his cock so I can make it nice and hard for my pussy and ass. I enjoy sending less aggressive men over the edge by turning them on."

One of Julia's noteworthy characteristics is her love of anal. It's something she truly enjoys. "To me, there are a few things that need to be there in order to have great sex. One is kink. Whether it's role-playing or BDSM, it makes things more interesting. Two is aggression. I think one person needs to be the top. I can go either way, but sex is always amazing if one person is really controlling the show. And three is anal. I don't always have to have it, but when I do I always say, 'Damn, that was some good fucking' afterwards." And it's true. We heard Julia say that after she finished this scene. And we heard her say it during, too!

#### It's been a while since we've seen this cutie.

Did you miss Karla's sweet smile and her torpedo-shaped tits? We did! We also missed seeing her bush! "When I first started modeling, I didn't think it would be such a big deal that I didn't shave my pubes. It was just something I didn't do; it wasn't really a conscious thing. But then I got such a huge reaction to it. Tons of fans were telling me they loved my bush and that it was so refreshing to see a girl who didn't shave. So I decided to keep it! If I hadn't gotten that kind of response, I might've shaved it."

62 XLGIRLS

In Karla's last pictorial in the Nov. '08 (SP173) issue, she said that she wants to fuck all day, every day. Not much has changed. "I'm still horny as ever," Karla told us. "I think I'm even hornier now actually! Before, I could go a day without masturbating. Now I can't. If I'm not getting any dick, I need to masturbate. It's like I have to cum at least once every day or else I just feel off! Luckily I have lots of toys to keep me company!"

## KATHERINEJAMES

### Whoa! Check out the bush on this XL babe!

This issue might be one of our fuzziest in a long time with girls like Karla and Katherine showing off their full bushes. You may remember Katherine from the pages of V-mag, but now it's her time to shine in XL. She's a different kind of girl with a tattoo on her boob, pierced nipple and a hairy pussy. A free spirit, if you will. Someone who isn't afraid to stand out and break the norm.

#### So how did a girl like Katherine end up modeling for V-mag and XL?

Like many of our models, she had a boyfriend who was a fan. He convinced her that she should take it all off for our big-tit lovers. "My boyfriend at the time showed me your magazine and I thought it was awesome. I loved that there was a magazine out there that celebrated curvy women like me. So I sent in my pictures and the rest is history. I had a brief moment where I thought that maybe I should shave, but then I came to my senses. I knew I had to be true to myself and that guys would like me for that."

opener because I always thought I was kind of a freak, but I learned that boobs are very powerful.

**XL Girls:** Yes, they are. Now would you say that you dress more sexy or more revealing in your every-day life? **Anorei:** In my every-day life I mostly wear jeans and t-shirts. But a normal round-neck shirt on me still looks like a scoop-neck, so no matter what I wear it's going to look revealing. I could be wearing my Captain America or Green Latern shirt and everyone is still going to be able to see that my tits are a mile in front of me.

XL Girls: Very true.

**Anorei:** It's funny, my ex-roommate used to call me 10-minute tits because my tits would reach every place 10 minutes before I did.

**XL Girls:** Yes, they precede you, literally. You mentioned that boobs are powerful. Have yours ever got you better service or free things?

Anorei: Yeah, I get drinks all the time, whether someone else buys them or the bartender just doesn't put them on the tab. It's mainly alcohol that I get the benefit from. Sometimes if I walk into a convenient store for a RedBull the guy will just wave me out. He's like, "I didn't see anything."

**XL Girls:** Except for your boobs. Have they ever helped you get out of a speeding ticket?

**Anorei:** No. I've only ever been pulled over once.

**XL Girls:** If it ever happens again your cleavage would probably be helpful. **Anorei:** Yeah, I've got more than enough cleavage to handle a ticket.

**XL Girls:** And what do you think of sex in public?

**Anorei:** I'm definitely an exhibitionist, so it woud be thrilling. I'm not sure of the legal implications of that. But on the other hand, I would watch it without hesitation.

**XL Girls:** What's the most public place you've had sex?

**Anorei:** A park pavilion.

**XL Girls:** Daytime or nighttime?

**Anorei:** Evening. But there was still enough light to see everything.

**XL Girls:** And was that thrilling?

Anorei: Yes. The possibility of being watched makes your heart beat faster. I guess that's why I model!

## PORSCHE DALI

#### Porsche is fuckin' horny. Here's a true story about her.

Here at The SCORE Group offices, we have a studio. That studio has big doors. Outside the studio is the office where the editors do their work. When Porsche was shooting her hardcore scene, her moans could be heard throughout the entire office. The heavy studio doors and concrete walls were not enough to stifle her cries of pleasure. That does not happen often. So in case you ever end up in bed with Porsche (or if you end up in bed while watching her DVD), make sure you're home alone, because the walls are going to be rattling from her very vocal orgasms.

This plump bombshell is also into girls and group sex!

Porsche has been bi ever since her first year of college. She would like to combine her love for women with her curiousity about group sex. "I would love to be having sex with a woman and a group of men walk in on us. Without a word, they would all join in a circle jerk and cum all over us." You can see Porsche in *Wide Load Nymphos 2* and *Large Lovin' 2*. Order them on page 9.

## ALICE WEBB

## Every month we get tons of letters and emails asking when Alice will be back.

Even though her last appearance was in Dec. '09 (SP189), she is still in high demand. We totally understand why. Her tits are huge! She is the embodiment of what a big-girl dream is. And here she is again for your jacking pleasure. While it's very easy to get stuck on Alice's great rack, we find pleasure in the little details about her, too. Her nipples rings, her freckles, even her pretty, long hair. Every time we see Alice, we find something new to love about her.

## After Alice works her body, she likes to work her pussy.

Alice works out regularly. But she's not trying to lose weight. She's more focused on being healthy. "I think big is sexy. However, I want to make sure that I'm healthy, too. I walk a lot, do strength training and I take yoga. One great benefit to working out is that it makes me so horny afterwards. Sometimes I go to the gym before work, and after I'm done exercising I'll just take a shower there. It's my favorite time to masturbate. Sometimes I'll even take a peek from behind the curtain to look at other girls naked. If I workout at night, I have to call somebody to come over and fuck me afterwards because I get so worked up. Sometimes while I'm working out I get so wet that I worry I'm going to leave a stain in my tights. I have a fantasy about being fucked in the gym. Maybe one day it'll come true."

attractive but not particularly my type, with the exception of the way they are built. Like I said, I like tattooed women who have an edge to them. Funky colored hair is good, too. I don't mind some pink or red or blue stripes in their hair. Including tattooed girls in your magazine gives it a little bit more spark, something that younger guy like me can appreciate. But I don't want to sound like I'm criticizing your magazine too much. It's still the best plumper magazine out there. #### **More Mandy**

Dear XL Girls,

Would it be possible for you guys to try and encourage Mandy Mason to do a boy/girl scene? I know it is really up to the models themselves, but she is the best. I loved her new video on XLGirls.com, even if it just another solo scene. But I would love to see her giving some lucky guy a blow job and the fella titty-fucking her, and fucking her pussy in every imaginable position. I know she isn't shy in front of the camera. She should do her own website.—W.S., via email

Dear W.S.,

Unfortunately we do not have any videos or photos of Mandy doing hard-core. She posed for us on a lark, so we're doubtful that she will return to do hard-core. But we're grateful to have the few photos and video of her that we do. You can't find her anywhere else!

#### **Arianna Sins So Good**

Dear XL Girls,

Thank you a million times for the hardcore pictorial of Arianna Sinn. When I first saw her in some of the other SCORE Group magazines, I would have not guessed that she would do hardcore. Never have I been so happy to be wrong! I love it when girls-next-door like Arianna surprise us by taking on the cock! For some reason it is even hotter when a nice girl does hardcore. All the photos of that cock penetrating Arianna's beautiful pussy were incredibly arousing. This was one of your finest hardcore layouts. And Arianna looked like she loved it!

We love it when good girls like Arianna show us their bad side.

Arianna is one of my favorite models. I can't get enough of this Romanian sex kitten. I hope she has a nice, long career. One that spans a decade, even! I can guarantee that as long as you feature Arianna in your magazines and DVDs, I will be a faithful customer. But hell, even if Arianna were to retire I'm sure a new uber hottie would come along to steal my heart. You know how to deliver the big-titted babes. But to be honest, I think Arianna is one of my all-time favorites. I'll be sad when she retires, so let's hope that's not any time soon!-C.A., Albany, New York

#### **Kendra Loves Her Fans**

Dear XL Girls,

I have been a fan of Kendra Grace for quite some time, and I have been very close friends with her ever since I met her. I first was introduced to her through your magazine. She decided to surprise me, her favorite fan, by driving to my small town–Ft. Stockton, Texas–because she was going my direction. I showed her the newest issue of *XL* that has new pics of her for a preview of her new vid

A fan wrote in to tell us about his positive experience meeting Kendra Grace. She was a pleasure to shoot, and she goes out of her way to make her fans happy.

she did with y'all a little while back. I took pics of me and her with the magazine together so that shows you how much Kendra Grace cares about her fans. She even signed my last issue that had her interview. Please consider having Kendra Grace in your magazine again. I cannot get enough of Kendra Grace. She is the friendliest

woman I have met, the most beautiful woman around with the most beautiful eyes, the sexiest curves and the hottest smile. She has lost a little bit of weight and has a totally new hairstyle. She looks a little bit different, so y'all might want to take a new look at her if y'all get a chance. Thanks.—D.A., Ft. Stockton, Texas III

# Analee Sands & John Strange

Analee's figure is amazing. She has as much up top as she does down below. Big tits and a big ass—a double-stacked babe. In this scene from *Wide Load Nymphos 2*, you get to see how she works her rack and rump when there's a hard cock to play with. "I always do my best to please a guy. I want to make sure he has a good time. If he enjoys himself, then I enjoy myself."

"I always play with a guy's balls when I give him head. I make sure to suck them, too. I think the balls need as much attention as the cock," Analee said. She also uses her tits to further stiffen rods. "My boobs are big enough for me to be able to squeeze them together really hard. That's what I do when I tit-fuck a guy, and I like to think that it's a good preview of what my pussy is going to feel like." Tit-jobs: the perfect segue from a blow job to sex. We love how Analee's nipples are staring right at us in the photo above.

It's no surprise that doggie-style is Analee's favorite position. We bet that it's the favorite position of every guy she's every fucked, too. "I love doggie-style because I can really take it hard from behind. I have all this ass to cushion me, so it's kind of like a shock absorber. And I think guys really like to fuck me from behind because they get to see my ass jiggle. I like it when they squeeze my butt cheeks and slap my ass. A bottom like mine was built to take a pounding!"
